Pokémon Trading Card Game Classic

Pokémon Trading Card Game Classic is a Pokémon Trading Card Game product released on December 13, 2024. It is a special set that recreates the first Pokémon Trading Card Game set released in Japan, Base Set, with updated artwork and modern gameplay mechanics.

Gameplay

Pokémon Trading Card Game Classic includes two 60-card decks, each containing 20 Pokémon cards, 20 Trainer cards, and 20 Energy cards. The decks are designed to be played against each other, with the goal of knocking out all of the opponent's Pokémon or preventing them from drawing a card at the beginning of their turn.
